I also spoke with ASA Daliah Weiss reference the previous employees, Juan and Maria Alessi. She advised that they had been served through a subpoena process server. They were both scheduled to appear on Monday November 21, 2005 at 12:00 p.m.

On November 21, 2005, I met with ASA Weiss, Atty. Donnie Murrell and Juan and Maria Alessi at the State Attorney Office. ASA Weiss had requested a court reporter to be present to take the statement of the Alessi s. I spoke with Maria Alessi, in the presence of her attorney, Donnie Murrell. She advised she had worked for Epstein for eight years, from the period of 1994 through 2002. She advised she had never had any direct conversations with him. She stated it was her husband who spoke directly with Epstein. Her work consisted of doing house cleaning, shopping and other preparations when Epstein would arrive in town. Alessi stated the preparations consisted of preparing the house and bathrooms for his arrival. She advised she did view several masseuses that arrived at the house. She advised that two or three girls would come during a day and provide the massages. The girls that arrived looked young in age. Mrs. Alessi did not know any of the girls personally and were always different. She was told that when Epstein was in residence he did not want to encounter the Alessis during his stay in Palm Beach.

I then spoke with Mr. Alessi in the presence of his attorney, Donnie Murrell. Mr. Alessi stated that he was employed for eleven years with Mr. Epstein. He originally was hired as a part time employee and then moved up into a full time position. His duties included everything. Alessi stated he was the house manager, driver and house maintenance person. It was his responsibility to prepare the house for Epstein s arrival. When asked about cooks or assistants, Alessi stated they traveled with Epstein on his private plane. He remembered dealing with his girlfriend, Ms. Maxwell originally and then dealt with Epstein directly.

I asked Mr. Alessi about massages that occurred within the home. Mr. Alessi stated Mr. Epstein had up to three massages a day. Each masseuse that visited the house was different. Alessi stated that towards the end of his employment, the masseuses were younger and younger. When asked how young, Mr. Alessi stated they appeared to be sixteen or seventeen years of age at the most. The massages would occur in Epstein's bedroom or bathroom. There were times he recalled that he would set up the massage tables either in Epstein s bedroom or in his bathroom. I asked if there were things going on other than a massage. Alessi stated that there were times towards the end of his employment that he would have to wash off a massager/vibrator and a long rubber penis, which were in the sink after the massage. Additionally, he stated the bed would almost always have to be made after the massage. Alessi was never privy to what went on during the massages.

He was asked if he remembered any names of the girls that massaged Epstein. He tried to remember and was unable to provide any exact names of any girls. Alessi was asked about any contact with anyone from the Epstein organization. Alessi said he did speak with Mr. Epstein shortly after my initial contact with him to find out what was going on. Alessi also stated that approximately on November 11, 2005, he was contacted by a private investigator from the Law Office of Roy Black. The investigator had called him to meet with him to ascertain what he was going to tell the police. Alessi stated they met at the Carrabba s Restaurant in Boynton Beach and discussed the same questions I was asking him. I informed Mr. Alessi and Mr. Morrell that as this is an ongoing investigation and anything we discuss should be confidential. They both acknowledged the fact that the information would be kept confidential. It should be noted that a court reporter was present during the interviews and would be providing a copy of the statements to me when they become available.

On November 21, 2005, I received a voice mail from Mr. Fronstin who advised he would not be making Mr. Epstein available for any statements. He did have some words that he wanted to relay on behalf of Mr. Epstein. I telephoned his office and left a message for him to return my call.

On November 29, 2005, I received a call back from Mr. Fronstin who left a voice mail after hours on November 28, 2005, advising he would return my call during normal business hours to speak with me reference the case on November 29, 2005.

The massages are therapeutic and spiritually sound for him that is why he has had many massages. Mr. Fronstin stated he appreciated the way the investigation has not been leaked out into the media. I explained to Mr. Fronstin that it is as important to protect the innocent if the allegations are not substantiated. Mr. Fronstin was told of the allegations that the private investigators assigned to the case have been portraying themselves as police officers. A review of the telephone message books, which were obtained during the search warrant, was conducted in which various messages from different dates were made to Jeffrey Epstein. The telephone message books have a duplicate copy (Carbon Copy) which, once a phone message is written into the book, the top copy is then torn on the perforated edge and the carbon copy is left in the book. First names of girls, dates and telephone numbers were on the copy of the messages. I recognized various numbers and names of girls that had already been interviewed. The body of the messages was time of the day that they called for confirmation of "work." Other names and telephone numbers were located in which the body of the messages were, "I have girls for him" or "I have 2 girls for him." These messages were taken by Sarah for Jeffrey Epstein. Based on the context of the body of the messages, I requested subpoenas for subscriber information on the telephone numbers and the time frame involved. Copies of the messages were made for evidentiary purposes.

I obtained [REDACTED] High School yearbooks for 2005, 2004 and 2003. I first reviewed the 2005 yearbook and located most of the girls I had spoken with. Additionally, I located [REDACTED] Based on the corrected name spelling, I was able to locate her to her residence in Loxahatchee. On December 8, 2005, Det. Caristo and I responded to [REDACTED] in Loxahatchee. I located [REDACTED] at her home. She advised she is attending [REDACTED] High and is participating in the early release program so she can maintain her part time job. As she is still a minor, I left my business card to have her mother return my call to request an interview with her daughter. We then left the area.

I also had previously researched the telephone number for "Tatum" and telephone number 561-640-7912. A subpoena had been issued for the information on 561-640-7912. The telephone number was registered to Scott Miller of 1558 Velvet Place E. A query of Tatum Miller revealed that she is the daughter of Scott Miller and is currently residing at 4938 21 Road North in West Palm Beach. Det. Caristo and I attempted contact with Miller with negative results. I left my business card on her front door requesting she return my call. We then responded to 1558 Velvet Place E in West Palm Beach. I also attempted contact with Mr. Miller with negative results. I left my business card for him to return my call.

On December 9, 2005, I received a telephone call from [REDACTED] mother, who was made aware of the on going investigation in Palm Beach. [REDACTED] advised she was told of everything that occurred at Epstein's house involving Epstein and his staff. She advised she would allow me to question her daughter about what occurred and would cooperate with the investigation. [REDACTED] provided me with [REDACTED] cellular telephone number to schedule an appointment for an official interview. I telephoned her cellular telephone and made a tentative appointment for Monday, December 12, 2005.

I then received a telephone call from [REDACTED] father of [REDACTED], who stated he found the business card on his door. I explained that I was conducting an investigation and needed to speak with [REDACTED] as she may have information that could assist in the investigation. [REDACTED] stated that his daughter no longer resides with him and has her own trailer in another trailer park. He advised he would tell her to call me.

On December 12, 2005, due to a conflict with schedules, arrangements were made to meet with [REDACTED] on Tuesday, December 13, 2005 at 5:00 pm. On December 13, 2005, Det. Dawson and I traveled to Loxahatchee and met with [REDACTED]. During a sworn taped statement, [REDACTED] stated that when she was sixteen years old, she was taken to Epstein's house to provide a massage for money. [REDACTED] stated it was before Christmas last year when [REDACTED] approached her and asked if she needed to make money for Christmas; [REDACTED] stated she did and agreed to provide a massage for money. [REDACTED] made arrangements to take [REDACTED] to the house and drove [REDACTED] to the house to "work." [REDACTED] stated she could not remember the street name but would be able to drive to the street. They drove to the last house on the street and pulled in the last house on left side. They walked up the driveway and entered through a side gate which led to a kitchen door. They knocked on the door and were encountered by an employee who [REDACTED] described as a "Spanish looking lady." They informed her that they were expected. They were then encountered by a white female with long blond hair. [REDACTED] was unable to remember the name of the white female with blond hair but knew she was Epstein's assistant. She was led upstairs by the white female who explained that there would be lotions out already and Epstein would choose the lotion he wanted her to use. She was led through a spiral staircase which led to a master bedroom and bathroom. The massage table was already set up in the bathroom. [REDACTED] described the bathroom as a large spacious bathroom with a steam room and shower beside it with a sink to the right. [REDACTED] was introduced to Jeff who was on the phone when she entered. Jeff was wearing a white towel and lay on his stomach so that [REDACTED] may massage his feet and calves. [REDACTED] started the massage with the massage oil Jeff chose and rubbed his feet and calves. Jeff got off the phone and requested she massage his back as well. On 102005 at approx 0930hrs I assisted with the execution of a search warrant at 358 El Brillo Ave, Palm Beach.

Initially I was assigned to enter the residence and conduct a sweep of the premises for safety purposes. I then accompanied CSEU tech Pavlik while she photographed the exterior of the house. Once this was complete I was assigned to search certain areas of the house with Det. Dawson as part of the search warrant.

We began in the garage, searching three Mercedes Benz vehicles, a Harley Davidson motorcycle and adjacent closets in the garage. Nothing of evidentiary value was located.

We then searched two closets off the kitchen area on the east side. These can best be described as pantry or storage closets. Nothing of evidentiary value was obtained.

A small office with adjoining bath was then searched. In the bath area I located a phone message book with recent messages. This item was seized as evidence. Please note this bath and shower area are not used as designed but are storage areas containing a variety of items to include a gun safe in the shower and assorted household items.

We then searched a bath area and closet at the base of the main stairs in the foyer. Inside the closet two massage tables were located as well as partial nude female photographs. These items were later seized as evidence. Nothing of evidentiary value was noted in the bathroom.

We then searched two bedrooms upstairs on the east side of the residence. Located in the bath room of the south bedroom was penis shaped soap. Located in the bedroom of the northern bedroom was penis and vagina shaped soap as well as an adult sex toy. These items were seized as evidence.

We then searched the pool cabana located in the south west corner of the property. Several photographs of nude females were seized as evidence.

I was then assigned to stand by with a person I believe was Douglas Schoettle. Mr. Schoettle was in the residence at the beginning of the search warrant. He was present during the warrant service and subsequent search. I stood by with him until the search was completed and I departed the residence. I had no conversation with him regarding the reason for our presence.

Regarding seized evidence, all items were photographed in place and then collected by CSEU personnel.

This concludes my involvement in this case.

On Thursday, October 20, 2005 at approximately 0936 hours, I assisted in the execution of a search warrant located at 358 El Brillo Way, Palm Beach, Florida, residence of Jeffrey Epstein. I was instructed by Case Agent Det. Joseph Recarey, to secure all computer and media related material from the residence.

Upon my arrival I was directed by Det. Recarey to a room designated as the Kitchen Staff Office. I observed a, Silver in color, CPU with the left side cover removed, exposing the CPU s hardware sitting on floor next to a glass type desk. The CPU had no discernable identifiers or features indicating a make or model. This CPU was powered off with the power cord not plugged in. The keyboard and mouse were atop the CPU. It should be noted that the CPU was not connected to a monitor, printer, or other media device. On the back Panel of the CPU, I observed an A/V card with RCA jacks attached. This type of hardware would allow audio and video to be downloaded onto the CPU s hard disk.

The ends of the RCA jacks were unattached at the time of the search and no external camera was located within this room.

The CPU was located on the right side of a desk that held a flat panel LCD screen. The desk also held another keyboard and mouse, indicative of a second computer; however, no other computer was found. It appeared as though a second computer had been recently removed as the cables ends from the monitor, keyboard and mouse were in the same area. A further search of the room revealed no media storage devices, i.e. CD s, Floppy Disks, Zip Disks, etc. This type of media is commonly stored in an area where computers are placed, yet no media was found.

After completing a search of this room, I secured the CPU and turned all items over to the Evidence Custodian for future forensic analysis via a property receipt.

I was then directed by Det. Recarey to a room designated as the Garden Room, where I observed a wooden desk facing west. The desk held a flat screen LCD monitor, keyboard, mouse, media card reader and printer; however, no CPU was located. All of the cables were removed from an area where a computer had once been. A search of the desk area revealed no signs of any media devices.

Det. Recarey directed me to a third location designated as the Cabana room, which is detached from the residence and located just south of the pool. In the South East corner of the room, I observed an office type setting, with an L-shaped desk holding a flat screen LCD monitor, keyboard, mouse and printer; however, no CPU was located. All of the cables were removed from an area where a computer had once been. A search of the desk area revealed no signs of any media devices.

Det. Recarey directed me to a second detached structure located on the South East corner of the property. This area of this structure was assigned with single letters to identify a particular part of the room. In the office area, designated as Room B, I observed a powered on Dell Dimension 2350, attached to an LCD flat panel monitor. The screen displayed an open Microsoft Internet Explorer browser with URL address of <http://home.bellsouth.net/>. I observed no other active windows in the Start panel window and photographed screen. The power cord was removed from the back of the Dell CPU and I disconnected the cable modem to prevent remote access. At that time, the Dell CPU, marked with Serial Number 6WTVN21, was secured and turned over the evidence custodian for future forensic analysis via property receipt. I also located several media related items within Room B, which were recorded onto a property receipt and turned over the Evidence Custodians.

I then responded to a Bedroom designated as Room F, where I observed a white in color CPU marked Premio. The Premio CPU was in a computer desk which held a white CRT monitor, both of which were powered on. The CRT monitor displayed a message from Norton Antivirus software, warning of an expired subscription. I observed no other active windows in the Start panel window and photographed screen. I removed the power cable from the back of the Premio CPU and shutdown all other media. The Premio CPU, marked with Serial Number 2000091078, was secured and turned over the evidence custodian for future forensic analysis via property receipt. I also located several media related items within Room F, which were recorded onto a property receipt and turned over the Evidence Custodians.

This concluded my participation in the search of the residence.

On December 20, 2005, I contacted ASA Daliah Weiss in an attempt to subpoena the Epstein former houseman, Alfredo Rodriguez. Rodriguez, who resides in Miami, had eluded the process servers previously and was not served the investigative subpoena. A telephone message was left as she is not available during the week of 12/19/2005. I made contact with State Attorney Inv Theresa Wyatt and requested the same via telephone message.

I then researched the victim's [REDACTED] cellular telephone subpoena data which had been received from a previous subpoena request. I analyzed the records which depict several calls from Haley Robson. The telephone calls start on February 6, 2005 at 12:49 pm.; the same day which the victim and the victim's father stated the incident occurred at Epstein's house. The first incoming call was from Robson's residence at 561 333-0180. The second incoming call from Robson's cellular phone 561-308-0282 occurred at 1:02 pm. The call durations

were one minute or less. The time frame was within thirteen minutes apart. It should be noted that Robson's residence was in close proximity to the victim's. The next call occurred at 5:50 pm when the victim telephoned Robson's residence. Several calls were made after the above mentioned calls both incoming and outgoing to Robson. Further analysis showed no telephone calls to either Robson's cellular telephone or Robson's residence were registered prior to February 6, 2005.

Additionally, I also conducted an analysis on the telephone calls from 305-710-5165. The subscriber information confirmed that the number is registered to Paul A Lavery from Hialeah, Florida. The address was crossed referenced to the Office of Kiraly and Riley Private Investigators. I researched the web page www.rileykiraly.com which also showed various cases in which they assisted. I also located another web site under www.coralspringssparklandrotary.org in which Mr. Riley attended a Miami Rotary meeting and confirmed Atty. Roy Black is among his clientele.

The telephone calls revealed Lavery had telephone contact with [redacted], [redacted], and [redacted] either just after I attempted to interview them, or just prior. A background was conducted on Lavery which revealed he holds a current Private Investigator License. A criminal arrest record revealed he had been previously arrested for possession of cocaine and solicitation of prostitution.

I also researched the girls using www.myspace.com. This web site is a new social networking service that allows members to create unique personal profiles online in order to find and communicate with old and new friends. The site allows one to establish your own [myspace.com](http://www.myspace.com) page and decorate the page any way one wishes. I found the following people have [myspace](http://www.myspace.com) sites: Haley Robson, [redacted], YL, [redacted], and MD.

I received a Cingular Wireless packet which contained a CD which contained the results of the subpoena request for verbatim calls on 917-855-3363. An analysis will be conducted in the near future on the phone numbers called.

I located [redacted] inside the foundation and informed her that I was investigating a case against Jeffrey Epstein and knew she had been at the house. [redacted] started to cry and advised she had put that part of her life behind her. I explained that although she is seventeen years old I needed to inform her parents that she would be interviewed. She provided her home telephone number. I attempted contact and left voice mail messages at the house to speak with her parents.

Det. Caristo and I then located Tatum Miller at her residence located at 4938 21 Road in West Palm Beach. I attempted to interview her about Jeffrey Epstein. She advised she is so in love with Jeff Epstein and would do anything for him. She further explained that she would not speak with us about him either negative or positive. She asked us to leave her property. I informed her that although she did not wish to speak with us, I had sufficient information at this point in the investigation to know she was at Epstein's house and provided girls to Epstein to work. I also explained that prior to our arrival at her residence I had telephone contact with her father, Scott Miller, who was told she would be interviewed. Tatum Miller is currently seventeen years old and as a juvenile, parental notification would be required. We then left the area and returned to the police station.

While at the police station, I left another telephone message for [redacted] parents. I began an analysis of Sarah Kellen's Cellular telephone. The telephone number 917-855-3363 is assigned to Sarah Kellen and the financially responsible party is Jeffrey Epstein of 457 Madison Ave. in New York City, New York. The time frame which was subpoenaed was September 2005, through October 2005. There were eighty seven pages of calls made either to the cell phone or from the cell phone. The local (561) numbers were analyzed. A spread sheet was prepared and placed into the attachment file of who was called.

The unknown numbers were researched using FoneFinder.com and subpoenas were requested to determine subscriber information. This was done to identify additional victims or witnesses. The analysis revealed that Kellen had called the victim/witnesses frequently when Epstein was in the Town of Palm Beach to "work." This confirms what the girls interviewed had previously stated. Kellen would notify them when Epstein was in town and their willingness to "work." The CD was placed into evidence.

was the telephone number for Haley Robson during the time frame when the victim, [REDACTED] was brought to the Epstein house to "work." An analysis of the phone records, of all incoming and outgoing calls, showed that on February 6, 2005, the day the victim, [REDACTED] was brought to the house, Robson first called Sarah Kellen, Epstein's assistant, at 917-855-3363 at 12:50 pm (EST). The next call was made to Epstein's house in Palm Beach, at 12:52 pm (EST). The following call was made to the victim, [REDACTED] at 1:01 pm (EST) and at 1:02 pm (EST). This confirms the information provided by the victim and victim's father. I photo copied the records and enlarged the page 8 of 10 to show the calls made by Robson on February 6, 2005.

To this date, I have not heard from [REDACTED] parents. I will attempt to establish contact with them during the evening hours.

I received a package from Atty. Guy Fronstin, which was hand delivered at the police station. Within the package, was a letter from Alan Dershowitz, and two www.myspace.com profiles. The profiles were that of [REDACTED] and [REDACTED]. MySpace.com is a social networking service that allows members to create unique personal profiles online in order to find and communicate with old and new friends. This package was in response to a previous meeting in which Mr. Dershowitz called to assist in the investigation in providing any additional witnesses such as house employees who have been reluctant to speak with law enforcement.

I reviewed the profiles Mr. Dershowitz enclosed. [REDACTED] who designed her blog to be [REDACTED], still attends [REDACTED] High School, sends and receives messages from friends which contain some profanity. Upon reviewing her friends' comments section from Myspace, most of her good friends sent messages to establish contact and invite her to go out.

I then reviewed [REDACTED] web blog which was provided by Mr. Dershowitz. Ms. [REDACTED] designed her blog to be "PimpJuice." Her blog states that her interests include music, theater and weed (Marijuana). I reviewed her packet in which [REDACTED] declares her love for her live-in boyfriend. She also describes using marijuana with her boyfriend Will Tucker.

The letter Mr. Dershowitz sent advised he was looking into the allegation that one of the private investigators used by the private attorneys of Epstein, attempted to impersonate or state that they were police officers from Palm Beach. Mr. Dershowitz advised that the investigators used to interview [REDACTED] had "quite a distinct speech impediment", did not claim to be nor did they impersonate themselves as a police officer. This package was sent to both ASA Lana Belohlavic and ASA Daliah Weiss at the State Attorney's Office.

I made telephone contact with ASA Weiss to confirm she received the package and request an interview with Sarah Kellen, Nada Marcinkova, and Janusz Banasiak. She advised she would assist in attempting to contact Mr. Dershowitz.
